OPEN TO ALL

We have partnered with the Continuing Education Institute of Illinois and can offer CEU's for a fee of \$15 for social workers, respiratory therapists, psychologists, occupational therapists, nutritionists, nurses, nurse practitioners, dietitians, dental hygienists, counselors, athletic trainers, administrators, and acupuncturists. Bring payment to training.

Just as people trained in CPR and the Heimlich Maneuver help save thousands of lives each year, people trained in QPR learn how to recognize the warning signs of a suicide crisis and how to question, persuade, and refer someone to help. Each year thousands of Americans, like you, are saying "Yes" to saving the life of a friend, colleague, sibling, or neighbor. Please pre-register today for this free training conducted by Sertoma Centre. CEU's are available for \$15.
