Trauma and Attachment

Presented by
Jack Flight, LCSW, RDDP, CSOTS, Director of Social Services at Silver Oaks Behavioral Hospital

Attachment is the emotional relationship between a child and a “regular caregiver.” Jack Flight will discuss why healthy attachment is so important, how trauma disrupts the development of this relationship, and how this can lead to a cycle of trauma.

Behavioral Health Alliance

of Grundy County

People working together
for healthy communities:

- *Educating*
- *Collaborating*
- *Advocating*
